For the purpose of this insurance, credit card company charge media shall be deemed to represent sums due the Insured from customers, until such charge media is delivered to the credit card company.

When there is proof that a loss of records of accounts receivable has occurred but the Insured cannot more accurately establish the total amount of accounts receivable outstanding as of the date of such loss, such amount shall be computed as follows:

- (5) the monthly average of accounts receivable during the last available twelve months shall be adjusted in accordance with the percentage increase or decrease in the twelve months average of monthly gross revenues which may have occurred in the interim.

average for the particular month in which the loss occurred, due consideration also being given to the normal fluctuations in the amount of accounts receivable within the fiscal month involved.

There shall be deducted from the total amount of accounts receivable, however established, the amount of such accounts evidenced by records not lost or damaged, or otherwise established or collected by the Insured, and an amount to allow for probable bad debts which would normally have been uncollectible by the Insured.

Should the amount of loss payable under such underlying insurance be less than the largest deductible amount which would apply in the event of loss under this policy, then the deductible amount to be deducted hereunder shall be the difference between the amount to be paid under such underlying insurance and the largest deductible amount which would apply in the event of loss under this policy.

APPRAISAL - If the Insured and this Company fail to agree on the amount of loss, each, upon the written demand either of the Insured or of this Company made within 60 days after receipt of proof of loss by the Company, shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of this Company, such umpire shall be selected by a judge of a court of record in the county and state in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss.  - (2) The Boiler and Machinery insurer(s) shall simultaneously pay to the Insured One-Half (1/2) of said amount which is in disagreement, but in no event more than the company(ies) would have paid if there had been no property policy in effect, and also limited to the minimum amount remaining payable under either the Boiler and Machinery or Property policy(ies).

Whenever the symbol "\$" is used in this policy, it shall mean United States Dollars (USD).

Hiscox is committed to complying with trade and economic sanctions. To that end:

- I. No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, Australia, United Kingdom or United States of America.
- II. The U.S. Department of Treasury Office of Foreign Assets Control (OFAC) administers and enforces economic sanctions policy based on Presidential declarations of national emergency. OFAC has identified and listed numerous foreign agents, front organizations, terrorists, and narcotics traffickers as Specially Designated Nationals (SDN's) and Blocked Persons. OFAC has also identified Sanctioned Countries. A list of Specially Designated Nationals, Blocked Persons and Sanctioned Countries may be found on the United States Treasury's web site <http://www.treas.gov/offices/enforcement/ofac/>.

Economic sanctions prohibit all United States citizens (including corporations and other entities) and permanent resident aliens from engaging in transactions with Specially Designated Nationals, Blocked Persons and Sanctioned Countries. Hiscox may not accept premium from or issue a policy to insure property of or make a claim payment to a Specially Designated National or Blocked Person. Hiscox may not engage in business transactions with a Sanctioned Country.

A Specially Designated National or Blocked Person is any person who is determined as such by the Secretary of Treasury.

A Sanctioned Country is any country that is the subject of trade or economic embargoes imposed by the laws or regulations of the United States.

In accordance with laws and regulations of the United States concerning economic and trade embargoes, this policy may be rendered void from its inception with respect to any term or condition of this policy that violates any laws or regulations of the United States concerning economic and trade embargoes including, but not limited to the following:
