

How to find Lake Village

From Reno Airport:

Approximately 50 miles/1hr. 15 mins.

Take Hwy 395 through Carson City. At the south end of town, turn right on Hwy 50.

After the signal at Roundhill, NV (Safeway and shopping center on your left), Lake Village is the next left, which is almost exactly one mile.

From South Lake Tahoe:

Stay on Hwy 50 through the casino corridor. Continue on past Lakeside Inn. Lake Village Drive is the next right just past Burger King.

Don't forget to stop by the Clubhouse for your parking permit!
Thanks!
